The Honorable Larry E. Chapman
President
Gilmer County Commission
10 Howard Street
Glenville, West Virginia 26351

Dear Commissioner Chapman:

RE: CFDA # 10.766 Community Facilities Loans and Grants

The State Clearinghouse has reviewed the Gilmer County Commission request to the U. S. Department of Agriculture/Rural Development (USDA/RD) for financial assistance in the amount of \$27,000. The funding would come from the USDA Community Facilities Loan and Grant program and would be used to purchase a tractor/lift/backhoe for the Gilmer County Parks and Recreation Board. The project will serve the citizens in Gilmer County.

This will certify that the requirements of the State's Intergovernmental Review Process have been met, and the State Process is in concurrence with the project. Clearinghouse approval does not constitute approval of the application by the funding agency.

Sincerely yours,

Thomas Saunders
